

Partner Portal guide (for partners)

NEDS gives its referral and content-collaborator partners a secure portal to track referred clients and submit content directly. This guide is for **partners** — you can share it with them.

Getting access

1. NEDS sends you an **invitation email** with a link to set your password.
2. Click the link, choose a password, and you're in.
3. After that, log in any time at

<https://crm.niranjanenterprises.co.in/partner-portal/login> with your email and password.

Your Dashboard

When you log in you'll see:

- **Your Referred Clients** — every client you've referred to NEDS, with their current status (Active, Prospect, Inactive).
- **Your Content Submissions** — every content piece you're collaborating on with NEDS (title, platform, and which project it belongs to), with its current status (e.g. Pending from Agency, Received, Approved, Scheduled, Published).
- **Your Earnings** — only shown if you're on a commission arrangement with NEDS (ask your NEDS point of contact to set this up). Shows this month's referred business and your estimated commission so far, plus a history of past months once they're finalized and whether each has been paid.

Uploading content

Next to any content submission, click **Upload files** to reveal a file picker. Select one or more files (images, videos, or PDFs, up to 50 MB each) and click **Upload**. The NEDS team is notified and will review your submission — if the piece was waiting on you, its status automatically moves to **Received**.

How commission is earned

Commission is a percentage of the pre-tax value of a deal for a client you referred, credited the moment that deal is marked Won by the NEDS team. Each month's figures are a live estimate until the 1st of the following month, when they're locked in — a locked month's numbers won't change even if something about that deal is edited afterward. "Paid" status is updated

by NEDS once a payout is made; the portal itself doesn't process payments.

Security & privacy

- You can only ever see **your own** referred clients and content pieces.
- Use a strong password and don't share your login.
- **Forgot your password?** Click **Forgot your password?** on the sign-in

page, enter your email, and a reset link will be sent to your inbox.

- If you need portal access, or no longer have access to your email address, contact your NEDS point of contact.
